

Albany to Denmark Track

Distance: end to end -78km Duration: 7 days/ 6 Nights

This walk offers the most wonderful coastal scenery and wildflowers on the Bibbulmun Track! It is a fairly easy walk, with distances between 13 and 19 km per day. There are some steep sections and some beach walking though, so we recommend that you do some training first. This is a fabulous and relaxing week, with time on some afternoons to enjoy the beautiful town of Denmark or have a swim at some incredible local beaches.

By carrying only a daypack, and walking the track in graded stages, people with a moderate level of fitness should be able to complete the walk. Preparation will make the experience all the more enjoyable. Excellent food, comfortable accommodation and knowledgeable guides will complement your trip.

Level: *Easy/Moderate*

Most people do need to do some training before hand, but you do not need to be an elite athlete or anything. It is a good amount of challenge, with mostly moderate terrain, but a couple of long days.

Itinerary

A guide will accompany you on each day's walk. The total distance is approximately 80 km. Each day we will resume the walk from where we finished the previous day. The following plan may alter depending on local conditions and weather.

You'll have time on some afternoons to enjoy the lovely town of Denmark or simply enjoy the serenity of the forest chalets. The Albany to Denmark section of the Bibbulmun Track is a popular walk for wildflower enthusiasts and those looking for an active, but relaxing, escape.

Day 1

Drive Perth to Denmark.
Distance: 4.5km

Starting with either a pick up in Fremantle at 7.30am or Perth at 8:20am, we will make our way down to Denmark, stopping for morning tea and lunch along the way. Arriving in Denmark mid afternoon, we will have a 4 to 5 km walk around Denmark to stretch the legs before heading to our accommodation at the Cove. Once settled in, enjoy a stroll around the forested property or a wine on the balcony before dinner.

Note, as we walk on the first afternoon, please wear your hiking clothes on the bus and bring your day pack ready to go.

Day 2

Albany to Wind Farm
Distance: 15km

We start in Albany at the Southern Terminus of the Bibbulmun Track. After a stroll through the streets of Albany we follow Frenchman's Bay before walking to the top of the ridge where we might spot some orchids along the sandy track. Then it's over the hill to view the ocean and a fairly easy walk along the cliff-top to the wind farm. Views from here are spectacular!

Day 3

Sand Patch Rd to Mutton Bird Rd
Distance: 13km

We are treated to more beautiful coastline today as well as some inland views. We'll walk through some incredible wildflowers to finish at an interesting coastal bay with views of Shelter Island – a great place for a swim.

Day 4

Mutton Bird Rd to Shelley Beach
Distance: 13km

We start with a beach walk and then on through some interesting and varied environments. We walk through peaceful groves of trees; over granite outcrops with their sticky tail flowers on display; and we are treated to million dollar coastal views. Our walk ends at Shelley Beach where we might glimpse a hang glider soaring above the white sand beach.

Day 5

Shelley Beach to Lowlands
Distance: 18km

Today's walk is mostly within the spectacular West Cape Howe National Park, accompanied by a profusion of wildflowers.

There is a bit of up-hill walking early on especially one section with many stairs! After that it's fairly easy walking. We visit the West Cape Howe campsite, then it's all downhill to finish the day at the beautiful Lowlands Beach. Take a dip or just sit and take it all in.

Day 6

Lowlands to Eden Rd
Distance: 19km

Expect some great scenery today as we alternate between coastal and inland views. We will pass through the Nullaki campsite and then it's an easy walk out to the peaceful Wilson Inlet.

We finish our walk in a cosy grove alongside the Inlet and celebrate a great week's walk on the Bibbulmun Track.

Day 7

Monkey Rock Walk, Drive Denmark to Perth
Distance: 2 hours

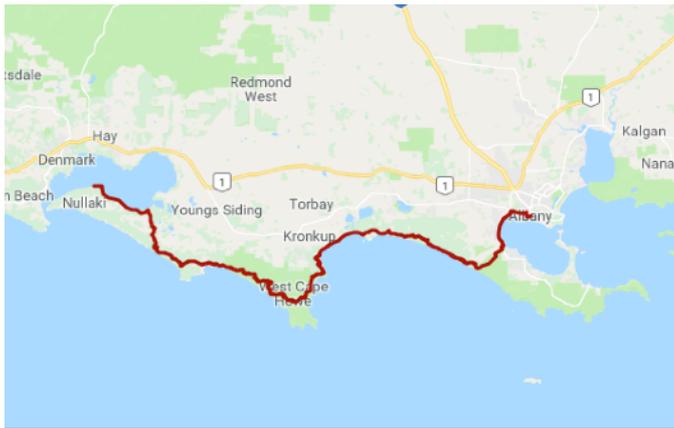

Before we head back to Perth today you have the option of heading into Denmark for a wander around or come out to Greens Pool and Elephant Rocks – two of the most scenic beaches in Australia. Reflect on your achievement this week as you sip on a coffee or take in the sights.

Pick up some take-away lunch from one of the shops in Denmark (own expense) before we head back home. We will be back in Perth by late afternoon.
