

Kangaroo Island Wilderness Trail

Distance: 60km **Duration:** 5 Days / 4 Nights

The Kangaroo Island wilderness trail is one of Australia's newest and best hiking trails. You will walk along rugged coastal cliffs, through shrub heaving with birdlife and past some of the most unusual sculptured rocks you will ever see. Expect to see seals lounging in the sun, echidnas, kangaroos and little to no one other than those in your group. This tour takes you through very isolated coastline on a very isolated island.

Situated on the southern coast of Kangaroo Island, we offer this spectacular yet remote 60km trail as a guided tour, completed in a series of day walks, returning to nearby lodge style accommodation each night. All meals and transfers from Adelaide and to the track each day are included so let us take care of everything so you can just walk and relax!

This makes this normally challenging trail, much more achievable to those with a moderate level of fitness, as there is no need to carry a heavy back pack or camp out. It is the ultimate way to experience the Kangaroo Island wilderness trail.

Level: Most moderate terrain, with some rocky coastal sections, and moderate elevations.

What our guests say:

"Although initially hesitant to join an organised tour, I'm so glad I did. From emails early on, to phone calls with me to check things, like "How to prepare" emails ... IO's communication is superb. Our guides, Sarah and Anna, were intelligent, empathetic, knowledgeable, humble, caring and safety conscious. Add to the mix a great group of like minded people and delicious home cooked meals and the result was a first class holiday. Such a gorgeous part of Australia. Adventure made easy."

Itinerary

A guide will accompany you each day as you walk the entire Kangaroo Island Wilderness Trail.

Some of the walks include some long days and also some sections of uneven limestone walking; but, with a moderate level of fitness, each walk is enjoyable! We highly recommend that you do some training beforehand, especially walking steps and doing some training on rocky terrain.

Day 1

Drive from Adelaide to Cape Jervis,
Kangaroo Island Ferry + Short Walk
Distance: 1.5km
Level: Easy Walking

Your holiday begins! With an early morning pick up, we have a 1.5-2hr drive down to Cape Jervis to meet the Kangaroo Island ferry. It is

another 2 hour drive down the south coast of Kangaroo Island, so rather than rush ourselves, we will spend the afternoon doing a bit of sight seeing, and some short walks around Penneshaw.

We can then settle into our accommodation for the night at the Seafront Kangaroo Island, followed by a meal at it's restaurant.

Day 2

Flinders Chase Visitor Centre to Snake Lagoon
Distance: 12km
Level: Mostly Easy Forest Walking

It is time to get started on the fabulous Kangaroo Island wilderness trail! It is about a 2hr drive to the trail head, but we will still have a chance to have a brief look around the Kangaroo Island National Park visitors centre, before we head off on our first walk. Today's walk is through a mix of forest and coastal vegetation. Look out for

Day 3

Snake Lagoon to Remarkable Rocks

Distance: 21km

Level: Mostly Moderate Coastal Walking

It is time to hit the coast. Spectacular sea cliffs with deserted bays below. Keep an eye out for seals and other sea life. Fossick on the beaches, and marvel at the views. Towards the end of the day we will make our way inland, for a lovely change, before finishing at the aptly named Remarkable Rocks.

The Kangaroo island wilderness trail is very new, but this has to be one of the great Australian day walks. We know you will love it!

Day 4

Remarkable Rocks to Hanson Bay

Distance: 18km

Level: Mostly Coastal Cliff Top Walking

Today is a botanical wonderland with coastal views, amazing rock formations and the SW river. There is a good chance of seeing dolphins and whales today. We are up high early on, with a rocky limestone path underfoot. It is not really challenging, but you will need to watch your step. We then head inland where we will be keeping an eye out for echidnas and wallabies.

Day 5

Hanson Bay to Kelly Hill

Distance: 9km

Level: Mostly Moderate Bush Terrain

Our final walk before we head back is a 9km stretch, which will see us complete the Kangaroo island wilderness trail! It is a morning's walk, and then we will make our way back to Penneshaw to catch an early afternoon ferry, and make our way back to Adelaide. With a drop off in the Adelaide CBD, we are sure you will be feeling tired, but fitter and at your absolute best.
