What our guests say:

"Four Day Highlight Great Ocean Walk, Victoria

"Such a variety of fabulous views earned by hiking to the vantage points, yes the ocean and the iconic outcrops, but also the changing bush, creatures, flora and historical locations were wonderful.

Appreciated the care, laughter, glorious food and group fun lead by Rachelle and Campbell. Have wanted to hike this trail for a while and I was not disappointed. Thanks for making it a holiday to remember!"

2018 DEPARTURE:

25 - 28 October 2018

Itinerary

Day 1

Apollo Bay to Shelly Beach

Distance: 8km

We depart Melbourne CBD at 8am, heading for the spectacular Great Ocean Road and Apollo Bay – the start of the Great Ocean Walk. Enjoy the first of many fresh picnic lunches for the week, get to know your walking companions and see if you can spot some Australian Fur Seals out on the rocks.

The walk today is relatively easy with some short sections of beach walking and a few hills. Keep an eye out for Koalas near Shelly beach!

Note, as we walk on the first afternoon, please wear your hiking clothes on the bus and bring your day pack ready to go. After our walk the bus will meet us at Shelly Beach carpark and we will drive to Cape Otway Lightstation.

Day 2

Blanket Bay to Aire Inlet

Distance: 5 + 11km

Today the walk starts off at Blanket Bay. Walking on cliff tops and through coastal forest we end the first section of our day at Parker Hill. Look out for black wallabies, echidnas, black cockatoos and other wildlife along the way.

From here the bus will take us to Cape Otway Lightstation from where we then walk along the calcified cliff tops to Aire River. Today you may opt to walk all or only parts of the day.

Day 3

Milanesia Beach to Moonlight Head
Distance: 11km

The first highlight today is Milanesia Beach, which is one of those secret beaches not many people get to. The track then cuts through and alternates between coastal heath, inland gullies and isolated beach and sea cliffs with a roller coaster of ups and downs to reach Ryan's Den. From here you'll have breathtaking views all the way back to Cape Otway and west to Cape Volney.

From Ryan's Den the trail then continues through coastal forests over Cape Volney towards Moonlight Head. It is a challenging (lots of ups and downs), but very rewarding day.

Day 4

Princetown to Gibson's Steps
Distance: 7km

The wetlands around Princetown support a wide variety of bird life, where we will cross the Gellibrand River on a trestle bridge to embark on one of our last sections to the 12 Apostles. A pleasant walk through coastal scrub and escarpment will start to reveal stunning views of the looming Apostles. We will end our walk today at Gibson's steps, taking in the eastern Apostles from sea level for a unique perspective. You may also opt to go for a swim if the weather and conditions are favourable.

After a very short drive to the 12 Apostles from Gibson's steps we will have plenty of time to view the Apostles and enjoy our lunch. We then will make our way back to Melbourne via the inland route.
