## What our guests say:

*"I recently completed a 6 day/5night walking holiday in the Kalbarri area with Inspiration Outdoors. It was a excellent trip, not only on the mainland but also the day spent on the Abrolhos Islands. Each day was different - walking in the Murchison Gorge, along the cliff tops around Kalbarri, and in the Mt. Lesueur National Park. Our guides, Adam and Imogen, were a wealth of information on the local history, the beautiful spring wildflowers not to mention the whales, dolphins, eagles and birds we so enjoyed spotting. The care and organisation of the trip was superb, with delicious home cooked evening meals plus hot tea and coffee with tasty home baked cake for morning teas along the track. Our group was very friendly and good fun. I certainly recommend this trip - it was a great experience."*

**2019 DEPARTURE:**

21 - 26 August

## Itinerary

Your guides will accompany you each day. The longest walk is about 10 km and the terrain is not too difficult. There is some clambering on rocks, but we take our time – there's no hurry. The itinerary plan may alter depending on local conditions and weather.

### Day 1

#### Drive from Perth + Wildflower tour

Departing from Wellington Street in Perth, we'll head north to a little place called Hi Vallee Farm near Badgingarra – home to one of the ecologically richest heath lands in the world. Here we'll meet Don Williams, a local wildflower expert, who will take us on a gentle wildflower walk through the bushland on his property.

We continue on to our accommodation at the Geraldton Best Western in the late afternoon and enjoy dinner at the restaurant there.

**Accommodation:** Geraldton Best Western

### Day 2

#### A day tour of the Arolhos Islands

It's an exciting day today as we hop on our own charter planes and fly over to the Arolhos Islands, about 80 km off the coast of Geraldton. We'll take a scenic flight over the chain of islands, learning about their history and infamous shipwrecks, before setting down at East Wallabi Island. Here you can enjoy a short guided nature walk and a snorkel in the pristine waters. We return to Geraldton mid/late afternoon and then head up to Kalbarri in time for sunset drinks and nibbles while your guides prepare you a delicious dinner.

**Accommodation:** Kalbarri Seaside Resort

### Day 3

#### Murchison River Gorge Walking

We'll have a wonderful day today exploring some of the ancient gorges of the Murchison River. We'll visit Natures Window and walk the 9 km Loop Trail, which takes us from

the top of the gorge wall, down into the beautiful gorge itself to walk beside the river. If the weather's nice, you might enjoy a refreshing swim in the cool water at lunch time.

In the afternoon, we'll have an easy exploration of the Z Bend Gorge where we will take a short stroll and soak up the tranquil atmosphere.

**Accommodation:** Kalbarri Seaside Resort

## Day 4

### Coastal cliff walking

The views along the Kalbarri coast are nothing short of spectacular – with pink and red layers of sandstone cliffs contrasted against the turquoise Indian Ocean. We'll walk the length of the Bigurda Trail in the morning. This trail stretches for 8 km along the top of the sea cliffs from Eagle Gorge to the Natural Bridge.

In the afternoon we'll explore the coastal areas closer to town, including a 3 km loop walk around Mushroom Rock and Rainbow Valley.

**Accommodation:** Kalbarri Seaside Resort

## Day 5

### Lesueur National Park

We'll depart Kalbarri and head south this morning to Mount Lesueur. What this very small 'mount' lacks in height, it makes up for in biodiversity – with a huge variety of unique and beautiful plants and wildflowers, many of which are endemic to the area. It's a fairly easy and very interesting 6 km walk to the summit of Mt Lesueur where you can see the ocean in the distance. After our visit we head further south to Cervantes for the night.

**Accommodation:** Cervantes Pinnacles Motel

## Day 6

### The Pinnacles and Drive to Perth

After a continental breakfast at our motel, we'll pack up and head to the Nambung National Park – home to 'the Pinnacles' – a collection of fossilised sandstone towers among a sandy desert. We'll stroll among the formations and enjoy the morning light casting long shadows on the desert floor. The visitor centre is excellent and well worth some time looking around.

We will have lunch on the way home and be back in Perth by mid afternoon (about 3.30 pm).

- The Royal (on Wellington Street)
- Mantra on Murray (on Murray Street)
- Four Points by Sheraton (on Wellington Street).

All are within easy walking distance of the pick up spot.
