

Victorian High Country

Distance: 60km Duration: 5 Days / 4 Nights

There's a beautiful free feeling that comes when walking in the Victorian High Country – with the vastness of Australia's highest mountain range all around you. Fresh mountain air, sweeping alpine vistas, classic mountain huts and picturesque snow gum meadows are in store on this fabulous Victorian High Country walking tour.

Using the beautiful town of Bright as our base, we are perfectly situated to take on three of Victoria's best known alpine walking areas: Mt Buffalo, Falls Creek and the iconic Razorback Ridge to Mt Feathertop. You'll experience the best that the region has to offer on this five day tour.

The walks are mostly moderate, with the Razorback Ridge and Feathertop being more challenging in terms of length and terrain. All walks are achievable for those with a moderate level of strength and fitness.

What our guests say:

"An excellent five day hiking tour! Emily, Simon & Adam had everything covered and, as so many people have said before, the balance between physical challenge, social time and delicious healthy food (with the optional glass or two of wine) is just right. I would highly recommend this experience for stimulating hiking and climbing, good company and beautiful views with good food, comfortable accommodation and relaxation at the end of each day. "

2019/2020 DEPARTURES:

25 – 29. Nov 2019
21 – 25. Mar 2020

Itinerary

Day 1

Melbourne to Bright -
Mt Buffalo National Park
Distance: 5km

We'll stop in at Euroa for morning tea and by lunch time we'll be ready for a leisurely exploration of some of the lower walks in Mt Buffalo National Park.

In the evening we'll get settled in to our accommodation in Bright – our base for the rest of the tour – before heading to the heritage listed Alpine Hotel for dinner.

Day 2

Mt Buffalo National Park
Distance: 11km

Today we're back at the magnificent granite mass of Mt Buffalo National Park to do 'The Big Walk'. It's an 11.3 km uphill walk that passes through several vegetation zones as the altitude increases, with spectacular views of the Australian Alps. The walk finishes at The Gorge – where the granite walls drop 300 metres down to form a spectacular and mind blowing sight.

After the walk we'll take a drive around the top of Mt Buffalo to wonder at the spectacular granite formations that rise from the plateau.

Back at the accommodation your guides will cook you a delicious dinner.

Day 3

Falls Creek and the Bogong High Plains
Distance: 14km

We'll have an easier (but not easy) day today, walking through pockets of snow gum and alpine meadows of the Bogong High Plains whilst admiring the surrounding views.

We'll follow some of the 650km Australian Alpine Walking Track and head to the summit of Mt Nelse for some great views. We'll also visit one of the famous mountain huts of the Victorian high country.

Day 4

Razorback Ridge – Mt Feathertop
Distance: 20km

It's a fairly big day today, but certainly one not to miss! We'll begin on one of the most iconic walks in Victoria, the Razorback Ridge. This classic track crosses the high ridge linking Mt Hotham to Mt Feathertop. Being mostly above the tree line, the ridge walk gives wonderful views of the surrounding alps.

The last (optional) part of the walk to the summit of Mt Feathertop is a fairly steep climb. Once there though, you'll enjoy outstanding 360 degree views as a reward for your effort.

We'll return back the way we came along the Razorback Ridge, witnessing the Alps change their mood in the afternoon light.

Day 5

Cherry and Canyon Walks + drive to
Melbourne
Distance: 7km

What better way to follow up yesterday's challenging walk to Mt Feathertop than a peaceful morning spent at your leisure in Bright.

You might like to stroll the banks of the Ovens River to the Bright Canyon where you'll see more evidence of the region's gold mining era. Or you may prefer to simply soak up the quaint atmosphere of Bright in one of the many local cafes or artisan boutiques.

We'll stop for lunch on the way back to Melbourne – arriving about 5pm in the city.
