

Munda Biddi Cycling Tour

Albany to Walpole, South West WA
Distance: 207km Duration: 6 Days / 5 Nights

Complete the southern section of one of the world's great cycle touring trails. The Munda Biddi trail weaves its way from Albany to Mundaring just outside Perth. Through Jarrah, Karri and Tingle forest, along the coast and through 15 quaint South West towns, all up the trail is over 1000 kilometres long. On this tour we will complete 224km of the southern half over 6 days. Ride free of trailers or heavy panniers as you will be supported by a vehicle, stay in accommodation and have all of your meals taken care of. All you need to do is, pedal and enjoy while our team will do the rest.

Bring your own bike or we can provide one for you.

Level: *Moderate*

Most people will need to do some training before hand, but you do not need to be an elite athlete to enjoy this ride. This tour has a good amount of challenge, with mostly moderate terrain and not much in the way of technical riding. The greatest challenge "non riders" will be the amount of time in the saddle.

What our guests say:

"The 6 day cycling tour from Albany to Walpole was a fabulous way to spend the best part of a week. Our guides Mike and Anna made sure that we had the ride of a lifetime. Challenging in part, but the spectacular location made up for it with views to die for. Light Beach, the Valley of the Giants, Greens Pool, all amazing and pristine places. Thank you guys for a memorable week."

Itinerary

Your guides will accompany you each day as you ride between 26 and 49 km. There is no such thing as an easy day on a bike! However, with a moderate level of fitness, they are all enjoyable. There are some hills, some gravelly sections and some narrow trails all of which can be challenging. We recommend getting some leg fitness to prepare for your ride. More on that later.

Each day we will resume the ride from where we finished the previous day, and will complete the whole southern section of the Munda Biddi trail. Please note that on many days there are options to ride half a day; and you are always welcome to take a day off from riding. We will try to help you find suitable alternative activities if you desire. The itinerary plan may alter depending on local conditions and weather.

Day 0 (Prior to the tour)

Bike Collection

If you choose to bring your own bike (we can also rent one to you), either drop off your bike at our depot in Fremantle or we will arrange to have your bike picked up. This is so that you do not need to bring your bike into the city at the start of the tour.

Day 1

Drive Perth to Albany + ride Albany to Torbay
Distance: 26km

Picking up in Perth at 8:00am, we will head south towards Albany. With morning tea and lunch on the way, we will arrive in the coastal town early afternoon and we will get straight

into it! From the Visitor's centre in Albany to Torbay is mostly easy going, with the odd hill. A perfect start to this epic adventure. After the ride, we will check into our motel for a one (1) night stay and have a meal at a local restaurant. With the travel, it will feel like a big day, so don't make any plans for the evening

Day 2

Torbay to Denmark
Distance: 55km

We will get going after breakfast and head out in the vehicle with bikes in the trailer back out to Torbay. All of today's ride to Denmark is classed as easy in terms of the riding surface, but there are a few decent hills. For those wanting to, there are plenty of opt out points along the way should you wish to have a shorter day. We will finish the days ride at our accommodation in Denmark where we will be staying for the next three (3) nights.

Day 3

Denmark to Mt Lindesay Rd
Distance: 50km

From Denmark it is easy going and a particularly scenic route out to Green's Pool, one of Australia's most beautiful beaches. There is then a long a long up hill section heading out towards Mt Shadforth, followed by a long down hill, to Scotsdale road. The riding is mostly through farmland today. Again, those seeking an easier option, can shorten the day if they wish. At the end of the ride, the bus will be waiting to take us back to Denmark.

Day 4

Mt Lindesay Rd to Nornalup Rd
Distance: 35km

A great day today! Most of the day will be through the towering Karri forest. We will pass one of the campsites (don't worry we are not sleeping there!) which are beautifully built. There are a few short challenging sections today which will test us, but 42/46km are classed as easy. The bus will be waiting for us at Nornalup Rd, to take us back for our last night in Denmark.

Day 5

Middle Rd/Trent Rd to Gully Rd
Distance: 32km

We are changing accommodation today, so we will pack up our accommodation in Denmark before we head out. Most of today's ride is back in the National park, through Tingle forest and by the river. We will see a mix of Karri forest as well as Tingle trees as we get closer to Walpole. There are some long ups and down today, with a mix of easy and intermediate terrain. Accommodation tonight is in Walpole.

Day 6

Gully Rd to Walpole + Rtn to Perth
Distance: 9.5km

Our last day! A short ride this morning with a few challenges, so it is no easy push off into the sunset. We finish in the town of Walpole. We'll get views of the Nornalup inlet at Coalmine Beach before arriving in the town. There will be time for a shower and lunch before we head back to Perth.

Can I bring my own bike?

Absolutely. If you plan on bringing your own bike, we just ask that you drop off your bike to our warehouse in Fremantle the day prior to the tour (or earlier), so that we do not have to "load up" the trailer on the morning of departure. It may be possible to arrange a pick up of bikes.

Where do we start from?

The tour starts and finishes in the Perth CBD. We pick up our guests from the Wellington Street Tourist coach stand on Wellington Street at 8am on the morning of the departure. We can also pick up from Fremantle at 7:00am from the Parry Street car park (just let us know). In the weeks prior to the tour we will provide you with a map to this location.

As we are riding on the first day of the tour, so if you are coming from Interstate or overseas, it is not advisable to fly into Perth on the morning of the tour departure. We recommend staying (at least, it's a great city) one night in Perth before the tour. At the end of the tour, we aim return to Perth at around 6pm, and then on to Fremantle at 6:30/7pm.

If you are looking for accommodation in Perth close to the pick up spot, we recommend;

- The Ibis (on Murray Street)
- The Royal (on Wellington Street)
- Mantra on Murray (on Murray Street)
- Four Points by Sheraton (on Wellington Street).

All are within easy walking distance of the pick up spot.

Where do we stay?

Accommodation is allocated on a double or twin share basis. A limited number of single supplements are available for an additional \$250. Single supplements are not mandatory for solo travellers, we will room solo travellers with a fellow solo traveller of the same gender.

We will be staying in 3 locations on this tour.

1 nights in Emu Point Motel, Deluxe Rooms.

3 nights in Denmark at the Cove OR the Rainbow House

1 night in Walpole at the Bayside Villas.
